

Sundreamer Price List

Can we introduce the residential range with the Sundreamer, the smallest in the range and ideal for the smaller garden and/or the restricted budget.

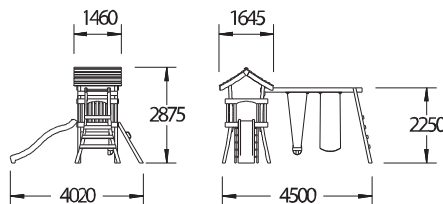

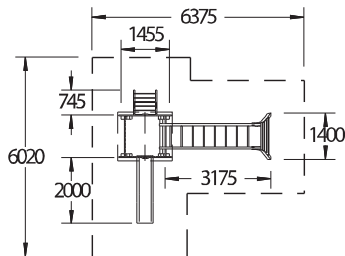

Our prices include for delivery and installation and the product is available in its basic configuration as illustrated, but if you would like to "mix and match" with other accessories, then we would be only too pleased to price it for you appropriately.

Includes:

- Sundreamer tower
- Ladder beam
- 4ft wavy slide
- Steps with handgrips
- Half-bucket swing seat with coated chain
- Swing seat with coated chain
